"David LaChapelle is the Fellini of photography." - *New York magazine* • "David LaChapelle should have his artistic license suspended." - *New York magazine* • "Mr. LaChapelle is certain to influence the work of a new generation of photographers in the same way that McArthur Bronson pioneered so much of what is familiar today." - *Amey Spindler, The New York Times* • "David LaChapelle went to jail on Monday in a comedy of errors that began with an untidy doll." - *The New York Times* • "His imagination has no brakes on it." - *James Yonson, editorial director of Conde Nast* • "David LaChapelle is as creatively fertile as 30s rule-breaker Salvador Dalí... He delights in taking one and voyeurism and giving them an outrageous, unmistakably contemporary twist." - *Ingrid Sischo, Interview* • "It was only a matter of time before the talented LaChapelle got himself in hot water." - *Liz Smith, New York Post* • "He's changing the fashion in which we see fashion." - *Today Show* • "David LaChapelle takes a licking and keeps on clicking... one of the world's hottest image makers." - *The Advocate*
